

You will use a sheet of white printer paper that is 8.5"x11". Here are some tips for a great cover design:

- 1) Draw in pencil first and then trace over with pen/marker.
- 2) Make sure to erase all pencil marks when done.
- 3) Try to stay within the lines of your drawing while coloring.
- 4) Keep all important text & artwork away from the edge.
- 5) Be creative and have fun!
- 6) Include Sunset Elementary and 2020-2021 somewhere on your cover.

Please make sure your name and teacher is written in PENCIL on the back of the artwork. The cover submission is due by December 4th. Please drop off your cover design to the box in the front vestibule at Sunset. If you are unable to return your art to school but would still like to participate please contact Amy Korb at [amykorb@att.net](mailto:amykorb@att.net) or 425-283-7318.
